This Month's Feature Band

**Bill Schneider's  
Main Street Jazz Band**

Bill Schneider's Main Street Jazz Band is a seven piece group that has been playing around the Ventura County area venues since 1995. They play traditional Dixieland style music in the key of Ragtime. All of their tunes come from the 30's and 40's and consist of recording artists such as Red Nichols, Louis Armstrong, Doc Daugherty and Ray Charles to name a few.

This excellent group of musicians provide an energetic interpretation of contemporary standards in a Dixie style that will make you want to get up and dance, tap your feet or sing along.

The current lineup in the band are Jack Wassel on trumpet; Andrew Ermek on cornet; Jim Richardson on sax and clarinet; Ken Lewis on standup bass; Richard Vanderwick on drums; and Bill Schneider, Jr. on guitar and vocals.

## June 2016 Raffle Donors

~Hank Johnsen  
~Stella Jordan  
~Connie Bailey

~Dawn Russum & Diz Mullins  
~Terry Iozzia  
~Myrna & Chet Wing

Our raffle prize table looked pretty stingy in May and June. And the list of people who donate raffle prizes pretty much always has the same names on it. Fewer prizes was the result of fewer donors. Many thanks to those who donate every month. So to those of you who do not donate on a regular basis or have never donated, how about taking up some of the slack and bringing a nice prize for the table in the coming months, something you might like to receive if your raffle number was drawn. **When there are only a few prizes on the table it's hard for Charlette to sell enough tickets for the amount needed for the room rent.**

At our monthly business meetings, the club officers and board of directors are always faced with the challenge of keeping our spending within our means, (monthly income) and we cut corners wherever we can. One of our major monthly costs is the rent we pay to the Yacht Club for that lovely room they offer us. When we make enough in raffle ticket sales to make up that amount, it certainly does help to keep our bank account out of the danger zone.

## Happy Birthday America

On July 4, 1776, we claimed our independence from Britain and Democracy was born. Every day thousands leave their homeland to come to the "land of the free and the home of the brave" so they can begin their American Dream.

The United States is truly a diverse nation made up of dynamic people. Each year on July 4th, Americans celebrate that freedom and independence with barbecues, picnics, and family gatherings.

Since September 11, 2001 (911), we are more integrated and diverse than ever in the history of America. What America was then, it is not now. America now has people from all walks of life, including various languages, different more's and cultures and an assortment of spiritual values. Americans are always adapting to new ways of communicating, learning, socializing and working with people of different nations.

### **In 2016, America yet stands on its pledge:**

***I pledge allegiance to the flag of the United States of America, and to he Republic for which it stands, One nation under God, indivisible, with liberty and justice for all."***

To become an American citizen, one must pledge an allegiance to the American flag for which historically many Americans fought, died and cried for. No matter your race, creed or color, when you choose to become an American, please look around you as you are standing on the backs of those who have paid heavy dues towards making America a great country. Thank you to all of those who paved the way and ensured freedom and justice for every American.

We want to give a special thanks to our new webmaster, Michael Gordon for the terrific job he is doing on getting our website up and running again. It's getting pretty close to completion and should soon be ready for us all to have a look at. We're very fortunate to have volunteers like Michael as well as all of the other people who volunteer their time to help keep our Channel Cities Jazz Club **SOMETHING VERY SPECIAL.**

But we still have a few more positions that need filling, so if you too would like to help keep our Jazz Club **SOMETHING VERY SPECIAL**, please offer your services. Just talk to Hank Johnsen or Jim Holbrook or any of the other officers about it. We are still in desperate need of a secretary.
